

GARDEN WALKABOUTS

Wild Ones River City (WORC) is seeking hosts for Garden Walkabouts—informal strolls through your yard or a landscape you manage.

- Two or three Walkabouts will be offered each year, depending on interest.
- Walkabouts last about two hours, with guests coming and going.
- Hosts select the day and time.
- Walkabouts are held rain or shine.
- Dates will be announced via our regular email communications.

NOTE: This is not a garden “inspection.” (*We all deal with weeds!*) If you choose to offer refreshments (*not required or expected*) keep things *very* simple. Be creative! How about a winter hike or a March visit to your greenhouse?

To host a Walkabout, indicate your interest below and return this form to any Steering Committee member at a general meeting, or mail to Marty Arnold, 2319 Lake Michigan Dr. NW 49504. If you have questions, please contact Marty, president@rivercitywildones.org or call 616.791.4534.
