

ADA TOWNSHIP PARKS, IN PARTNERSHIP WITH
KENT CONSERVATION DISTRICT, PRESENTS:

A WORKSHOP FOR DEALING WITH ORIENTAL BITTERSWEET AND CONTROLLING INVASIVE PLANTS

WHEN: SATURDAY, DEC 12TH 9:30-11AM

WHERE: ADA PARK SHELTER: 1180 BUTTRICK AVE SE

FEE: Suggested donation \$5; pre-registration required by
contacting the Ada parks office at (616) 676-0520 or
E-mail: mfitzpatrick@adatownshipmi.com

COVID-19 safety protocols to be followed, masks are required.

This will be an outdoor workshop targeted for landowners and
others dealing with invasive plant issues with a focus on the
destructive invasive Oriental Bittersweet vine.

Kent Conservation District strike team will teach you how to
properly identify and treat invasive species. A discussion on
identification and control techniques will be followed by a field
observation and demonstration. Fall and winter is the best time of
the year for woody invasive control.
